**square pizza** is a Detroit-style that can be traced back to the 1940's and Detroit's ties to the automotive industry. The pizzas get their shape from being baked in square pans, which, at the time, were commonly used as industrial parts and tool trays in Detroit factories.

At Pie Squared, we spread cheese all the way to the edges of these pans so that, as pizzas bake, cheese slowly melts down the sides and forms a deliciously caramelized upper rim of crust. In addition, we also ladle our homemade sauce on in rows rather than evenly over the entire pizza. The combined result is a truly unique pizza with a slightly different taste and texture in each bite.

“方披萨”是美国底特律的特色披萨，其来源于1940年代的汽车城底特律。当时的汽车工厂工人使用盛放工具的方形铁盒烤制披萨，致使烤出的披萨都是方形的。

在方派披萨，我们将整个烤盘至边角都铺满奶酪，当披萨经过烤箱烘烤时，奶酪慢慢融化至披萨的四周形成一圈香脆美味的脆边。此外，我们还将自制的披萨酱料一行行在披萨上分开来，而不是均匀的涂满整个披萨。最终形成了每一口都风味独特的特色披萨。

## pie sizes 披萨尺寸
